Sir,

I have the honor to state that the Municipal Council of Tiptur have resolved that the population of Tiptur town as per special census taken on 19-7-1925 being 5100, the privilege of returning a member -- from the Tiptur Municipal area to Representative Assembly may be extended to it. A copy of the resolution of the Municipal Council is herein - enclosed.

(2) Under para 15 of G.O. No. 1367-1426 C.B. 100-23-1 dated 27th October 1923 Town Municipalities with a population of 5000 and above are regarded as Urban constituencies and have been given the privilege of - separate representation. The population of Tiptur town has varied greatly* since 1911 as shown in the margin*. It is now reported that the population is 5100 according to the census taken on 19-7-1925 at the instance of the Municipality and under the supervision of the Municipal staff. With a view to find out the lines on which the census was taken by the Municipality, I sent for the records relating to the enumeration. They are sent herewith for the perusal of Government. The increase in population may perhaps be due to - circumstances such as the opening of the High school. Tiptur is really the most important town in the District outside Tumkur and it appears to me -- that the request for representation in the Representative Assembly is -- deserving of sympathetic consideration.

Sir,

I, one of the candidates at the ensuing election of the Urban consttuen of Tiptur, beg to invite your kind attention to the arrangement made for the conduct of election and request you to kindly interfere in the arrange--ment in the interest of the purity of election and got the arrangement changed into a satisfactory one. Now, for one of the polling stations the siratstar of Tiptur is posted as a polling offfcer. During the last electio only officers of the status of Amildars and obove were appointed as polling officers. Even that arrangement gave room for lot of complaint. Hence the posting of a sirastar may not be considered as a satisfactory arrangement. They have posted one of the Muncipal Councillors to be by the side of the polling offfcer. Unfortunately that perticular councillor is not able to read either canarese or English. How can a person who is not literate understand whether the votes are rightly recorded or not. So in the interest of the purity of election the Muncipal councillors as per rules of Urban Consti--tuencies in page 100 of the mannual may be allowed to be appointed or an officer of higher status may be deputed for the work and one or two literate Muncipal Councillors may be made to be by his side. In case any of these arrangements cannot be made the agents of the candidates may be allowed to to watch the proper recording of the votes. I think in the interest of justice you will kindly request the Deputy Commissioner of Tumkur to do any of the above sujjested arrangements and avoide all possioility of further complaints in the matter. Since the election is to come off on 31st. speedy arrnagement may kindly be made.

Yours sincerely,
